

GS Snowy Adventure Ride

3 - 5 November 2011

Enjoy the thrills of a two day adventure ride to the Snowy Mountains and the annual Snowy Ride charity event.

The Snowy Ride has been running since 2001 and has raised over \$4 million for the Steven Walter Foundation. Every November, thousands of riders head to Thredbo to ride the amazing alpine roads and raise money for such a great cause.

Off -Road Event is again putting together a great package for BMW GS riders to experience a fully supported two day adventure ride to the Snowy Mountains to participate in the Snowy Ride. Spaces are strictly limited; we are expecting 15 participants, with a maximum of around 18. The package also includes entry into the Snowy Ride on Saturday Nov 5th.

Melbourne to Thredbo

We have a totally new route planned through incredible mountains and scenery. The group leaves Melbourne on Thursday November 3rd, supported by expert lead and sweep riders as well as a support vehicle. After a great ride on Thursday, there will be an overnight stop at Licola. Friday will be another day of excellent terrain and incredible riding, arriving at Thredbo in the heart of the Kosciusko National Park.

The route consists of off road trails much of the way, with sections of tar linking them together. The route is suited to all types of GS machines, but it is preferred that riders are confident with GS style off road riding (this is not the ride for off road virgins.....).

It is also recommended that all GS bikes have a knobby style tyre fitted (Metzeler Karoo or Continental TKC 80 is preferred, please ask if you require any advice). Depending on weather, the route is able to be modified to best suit the needs of the group.

Saturday's Famous Snowy Ride

On Saturday riders will participate in the Snowy Ride. The Snowy Ride route is traditionally on road, but there will an Adventure Route for select sections (you should select 'Adventure Route' when you complete your Snowy Ride entry form). You are free to pick your own route around the Snowy Mountain roads, visiting the towns of Jindabyne, Thredbo, Adaminaby, Dalgety, Berridale to have your Snowy Ride card stamped.

At Thredbo on Saturday afternoon a presentation is held and many prizes will be won (including a Honda motorcycle). The atmosphere is always amazing as up to 3000 riders get together to celebrate another amazing event www.snowyride.com.au After the Ride, you can make your way home or take the '3 night' option for an extra night's accomodation at Thredbo and ride home on Sunday.
