## Trail Bike Enviro Tours 2009

Do want to know more about:

- **Noise** emissions
- Erosion and river crossings
- Seasonal road closures
- Environmental damage and **Rehabilitation** programs
- **Riding tips** for sustainable riding

The Ride for Tomorrow Trail Bike Initiative along with Victoria's leading Licensed Trail Bike Tour Operators is organising a series of rides through some of Victoria's most scenic public land.

These free rides will take you through some amazing scenery. Along the way you will learn some useful riding techniques to reduce your impact on the environment.

<b>What's provided:</b>	Full or half day rides with an experienced licensed tour guide and sweep riders. Also included is your lunch!
<b>Cost:</b>	Free (fully subsidised through the DSE Trail Bike Initiative)
<b>Requirements:</b>	You must be licensed and bikes must be registered (full or rec registration) Riders must have appropriate protective gear, and provide their own fuel Ride level is easy – moderate with help provided if required.
<b>Bookings</b>	Chose your tour and contact the ride organiser to confirm your spot.
